

Download Chicken Bedtime Is Really Early

About — Erica S. Perl

Hi, I'm Erica. I write picture books, novels, chapter books, plays, articles, and waaaay too many emails. My books have made lots of friends and received great reviews. One even won the National Jewish Book Award! They've also landed on state book award lists in states including FL, MN, VA, MA, RI, MS and my home state of VT (I now live in Washington, DC).
