## Cooking From the Pantry Taco Tamale Pie Secrets of a ...

So on one of those days last week, I was standing in the middle of my kitchen mumbling to myself thinking out loud--"let's see, I have a pound of ground meat that's about half thawed, what do I have that I add to it to make something nutritious that my family will eat?" And I came up with this, a cross between taco casserole and tamale pie, I call it "Taco Tamale Pie".

## Deviled Spide Eggs for Halloween — Shockingly Delicious

Print This Post. If the question is what should you bring to the office or the party for Halloween, the answer is Halloween Deviled Spider Eggs!. Deviled eggs always disappear first from the appetizer plate, and this decorated version just makes people laugh. Or else it gives them a creepy shiver, which is also worth a chuckle.
